

Purpose:

To teach children essential developmental and social skills, to share God's love with each child, to give children a “preview” of the Catholic pre-school experience allowing for an easier transition when entering the school's full time program, to create a meeting ground within our parish and school for parents of young children, and to allow stay-at-home parent's a much needed break.

St. Peter' Prince of Apostles School Weekday Children's Program offers three classes, a Monday-Wednesday-Friday, a Tuesday-Thursday, and a Monday-Friday. There are 10 to 12 children in each class with two teachers. This small setting enhances student-teacher ratio. Our days begin and end with prayer to remind the children that they are gifts from God and that they are loved by His Son, Jesus. We look forward to working with your children.
